What is the Business Leadership Breakthrough™?

Unlock your potential as a leader through the Business Leadership Breakthrough™ — an intensive, transformational program designed for Executives, Business Owners and Leaders ready to elevate their communication, decision-making, and relationship-building skills. In four immersive sessions, you'll gain tools, insights, and strategies to lead with confidence and clarity.

What is Fascination Advantage®?

Fascination Advantage® is a 28-question, 5-10 minute, easy-to-understand science-based self-assessment tool that identifies the communication you naturally possess to fascinate others, creating great first impressions and ongoing relationships. The Fascinate Test® inspires. The Fascinate Test® is based on branding. It gives you the tools to impress, influence, and reveal your highest and best self. Think of these advantages as your natural superpowers. When you communicate using your unique combinations of advantages, you gain the confidence to become more influential, more persuasive, and more successful.

What is Kolbe™?

Kolbe A™ Index is a 36-question self-assessment that measures a person's instinctive method of problem-solving. The resulting Index describes an individual's natural strengths and includes a customized audio interpretation offering suggestions on how to leverage these talents to achieve greater personal and professional success.

Kolbe™ can help you reduce stress, increase productivity, and win more business by uncovering your innate, intrinsic strengths and tapping into your mental energy – aka, how you naturally take action to get things done. Embracing your natural action mode saves time and energy, leading to better conversations, greater productivity, and effective collaborations to get more done. The result is scientifically proven to be unchanging over your lifetime. Isn't it time you felt the stress-free ease of working with your natural advantages.
